

ANNOUNCEMENT

ROYSTER STUDENT SCHOLARSHIP POSTER COMPETITION

Students from Florida are invited to present their research on any aspect of hearing conservation or noise control (broadly defined) at a poster competition to be held at the University of South Florida, Department of Communication Sciences and Disorders.

The qualified winner(s) (in the case of multiple student authors) of the competition will receive a prize of \$2500 to be used toward future graduate study. Full-time students may present undergraduate or graduate research, as long as they are continuing for graduate study involving acoustics.

Date: Thursday December 3, 2009.

Time: 9:00 am – 3:00 pm (social hour 9:00-10:00; lunch 12:30-1:30).

Location: Room PCD4004 at the Department of Communication Sciences and Disorders at the University of South Florida.

For detailed rules of the competition see:

http://www.acosoc.org/RegChapters/resource_pages/chapter_resource_pages.htm

Deadline for registration: Monday November 23 at 5:00 pm. Submit full name, contact information (email, phone and address), proof of student status and a 3-5 page paper describing the project.

Contact Catherine L. Rogers, Ph.D.: crogers@bcs.usf.edu for further information, registration and directions to the USF Department of Communication Sciences and Disorders.

See <http://www.nc-asa.org/galleryspring2006studentposters.html> for examples of previous poster topics (North Carolina Chapter).
